

# \$50 for the Foundation

## Donate for your Future!

Dear Rocky Mount Parents,

We are asking families to please join us in giving “\$50 for the Foundation!” **Donate any multiple of \$50** to raise enough funds to keep our new **Science Teacher**, Ms. Reed, on staff next year for our new **Science Program** at Rocky Mount. The Foundation also funds many other educational enhancements for *all* of our students. (For example: Educational Magazines, SMART Program, etc. Please refer to [RockyMountFoundation.org](http://RockyMountFoundation.org) for a detailed list)

***We are halfway to our goal!***

***Please be generous with your donation toward the education of our future leaders at Rocky Mount!***

**There is still time to be an “Honor Roll” Donor** - The children of families who have given **\$250 or more total** will be invited to be a *guest co-anchor* on the Rocky Mount morning announcements (WRM) with Mrs. May and/or Mrs. Kogan. (The \$250 donation can be a total from family and friends, as well as multiple payments. However, the students will only co-anchor once the \$250 or more has been collected.)

**GIVE TODAY! GIVE TODAY! GIVE TODAY!**

Campaign ends on **March 7, 2014**. All donations are tax deductible. **Please use donation form on back or give online at [RockyMountFoundation.org/Donate](http://RockyMountFoundation.org/Donate)**
